Peace Proms Update

A rehearsal for the Peace Proms choir has been organised for 16th January in Swords, Co. Dublin. At this rehearsal the children will have a chance to meet and practice with the children from all the choirs that will perform with them in February in the RDS. The rehearsal is very important as the organisers will coordinate singing, orchestral accompaniment and choreography. It is a huge task to organise a performance of such magnitude and an incredible opportunity for our children. We have organised a bus to transport the children on the day and Mrs. O' Donoghue and Mrs. Curley will travel with the children. A letter will issue to all choir members. The letter will include all the relevant details. We wish our singers the best of luck and hope that they enjoy the experience. The Peace Proms provides a wonderful opportunity for the children to perform with a full orchestra. The Cross-Border Orchestra is composed of musicians from Éire and Northern Ireland. It symbolises unity and solidarity in Ireland. Neither physical boundaries or differences in nationality, religion or culture can compete with the great power of music and song. We are very fortunate to be part of the Peace Proms Programme and to celebrate that great unity. Tickets are available from the Peace Proms website for our performance in the RDS on February 4th at 8pm. We hope you can come to see this spectacular event.

Christmas Concerts 2016.

This year's Christmas Variety Shows were a huge success. We were treated to four nights of entertainment over two weeks. Each night was completely different and each was fantastic. The staff and management are amazed at the standard of performance. Parents must be very proud of all the superstars!

Inspired by the outstanding talent and commitment, we decided that the proceeds of this year's performances would be used to invest in further performances and upgrading our equipment and resources.

The Nativity costumes used in our infant plays were purchased using the money raised. These are attractive, durable costumes and will be used again and again for our plays.

We have installed some new lights for the stage, which will illuminate the stars of the future as they perform at school.

Our final purchase was a stage piano for the hall. We are delighted to have our own piano which can be used for rehearsals and performances alike.

Our stars will continue to shine for years to come.

Thank you all for your generous support, which has made this investment possible.
